EXPERIENCE

Owner | @Explica – Madeira Island
DECEMBER 2015 - PRESENT
I am the partial owner (30%) of @Explica along with my brother in law.

@Explica is a complementary high school with classes in almost every subject covered in high school, including Physics, Chemistry, Math, English, among others.

Our current objective is to make @Explica Tekas, a smaller segment of the company made for Elementary students, grow enough to stand as the reference complementary school in Madeira Island.

Elementary teacher | @Explica [Tekas] – Madeira Island
JULY 2016 – SEPTEMBER 2016
JULY 2017 – SEPTEMBER 2017
As a part owner of the company, I work as a summer camp teacher every time I visit my home town of Funchal.

Member | Nucleo de Estudantes de Engenharia Electrotécnica e Computadores
SEPTEMBER 2017 – PRESENT
Member of the Pedagogical Department of the association and part of the Fund-Raising team.

Right Wing in the CDBP under 16 team which won the Madeira Championship in 2012.

Right Wing in the AFC under 19 team which got promoted to the first division in 2017

SKILLS

- Developer in C and Java, which I learned in classes from my Engineering Degree.
- Self-taught Developer in JavaScript, HTML and CSS. Classes were taken in FreeCodeCamp and my work is available at CodePen [links above].
- Fluent in English and Portuguese and comfortable speaking Spanish
- I have a good understanding of Assembly Programming and other programming languages and practices used during my Engineering Degree, such as UML and Process.
- Level 7 Lead guitar player, level 6 Rythym guitar player and max level in ear trainning and knowledge according to the Yousician course.

ACTIVITIES

My passions and hobbies include listening to music, learning music theory and songs, programming in a more relaxed mindset (learning new languages and improving the ones I'm fluent at), watching movies and TV Shows, playing videogames and hanging out with friends.
